INTRODUCTION TO IREB® LOCAL COMMUNITY RECOGNITION

The aim of the process is to confirm whether the bodies involved in the IREB® trainings meet certain standards and quality criteria for education. Recognition is given to training materials and trainers. The recognition is carried out by bodies acting as the IREB® local community. In Poland, the role of the IREB® local community is played by SJSI.

IREB® trainings recommended by the local community may be conducted only by recognised trainers, based on recognised training materials.

The IREB® mark is a registered trademark and may not be used for trainings without the appropriate permission. Any misuse of the trademark will be reported to IREB for appropriate action.

This document describes the recognition process for trainers, in accordance with the guidelines of the IREB® local community in Poland in this respect.
IREB® courses recognised by IREB® local community may only be conducted by recognised trainers.

Below there is the most typical, simplified recognition path for trainers recognition. A more detailed process and its possible variations are described below.

<table>
<thead>
<tr>
<th>Step</th>
<th>Responsibility</th>
<th>Description</th>
</tr>
</thead>
</table>
| 1    | Applicant      | **Submission of the application for trainer recognition:**  
(1) Sending a correctly filled in document TRAINER RECOGNITION SUBMISSION, together with relevant documents (the list of documents is available from the form) to irebrecognition@sjsi.org  
(2) Paying the recognition fee in accordance with the valid price list available on the SJSI website and sending a confirmation of payment together with the application to irebrecognition@sjsi.org |
| 2    | SJSI Recognition Board | SJSI Recognition Board (RB) acknowledges receipt of the application. |
| 3    | SJSI Recognition Board | The application is verified (checking that all required materials are included in the application). It is assumed that this stage takes about 2 weeks from the date of confirming receipt of the application. |
| 4    | Applicant      | At the request of the Recognition Board, the applicant shall provide the missing information. It is assumed that this task lasts about 1 week. |
| 5    | SJSI Recognition Board | When all the missing information has been completed, SJSI Recognition Board shall contact SJSI Board of Directors with a request to grant the recognition certificate. Otherwise, it contacts the Applicant once again indicating the necessary changes. |
| 6    | SJSI Board of Directors | SJSI Board, on the basis of the application and the recommendation of the Recognition Board, issues a decision on granting the certification. |
| 7    | SJSI Recognition Board | After a positive decision of SJSI Board, the Recognition Board sends a recognition certificate to the Applicant. The certificate is provided in electronic form. |
| 8    | SJSI Recognition Board | There is information in SJSI media about granting a new certification.  
Note: There is a possibility to place an additional promotional information about the Applicant. In order to publish the text, a proposal for publication should be sent to SJSI Recognition Board. |
Depending on the quality of the application, there may be a different number of steps and re-verifications of materials. The specified time intervals may vary slightly.

**VALIDITY OF THE RECOGNITION CERTIFICATE**

The certificate is granted for a specific level of certification. The expiry date of the certificate depends on the type of certification granted:

<table>
<thead>
<tr>
<th>Type of certification</th>
<th>Description</th>
<th>Expiry date</th>
</tr>
</thead>
<tbody>
<tr>

<td>Trial Certification - the first recognition certificate for a given trainer issued by SJSI.</td>
<td>1 year</td>
</tr>
<tr>
<td>RE-CERTIFICATION</td>
<td>The trainer was already certified by SJSI. He applied for an extension before the expiry of the certificate. <strong>Continuity of certification is maintained.</strong></td>
<td>3 years</td>
</tr>
<tr>
<td>RETURN TO CERTIFICATION</td>
<td>The trainer was already certified by the SJSI, but did not apply for an extension of the certification before its expiry. <strong>Continuity of certification has not been maintained.</strong></td>
<td>1 year</td>
</tr>
</tbody>
</table>

**VERIFICATION OF THE QUALITY OF TRAINING**

SJSI grants itself the right to audit the training courses conducted by the recognised trainer and to check the level of satisfaction of students. Obtaining a positive evaluation from the audit is a necessary condition for re-certification. The cost of the audit is included in the price of obtaining the certificate.

In case of a negative assessment from the audit, the person applying for certification can apply to SJSI Recognition Board for another audit. The cost of a re-audit is covered by the person applying for re-certification according to the valid price list.

In case of three negative audit assessments, the re-certification process is stopped and re-certification is not granted.

**INVOICE FOR CERTIFICATION**

If the document TRAINER RECOGNITION APPLICATION specifies the data to issue an invoice, after the completion of the works, the Applicant will receive an invoice from the SJSI in electronic form.

If the Applicant requires a paper version of the invoice - this information should be added to the application form.

Please be informed that it is possible to issue a pro-forma invoice. In order to obtain it, one should contact the Recognition Board electronically at irebrecognition@sjsi.org
